問題D 次の英文が2回読まれるのを聞いて、問題用紙の指示に従って答える。

My name is Jack Brown. I’m from America, and thirty-five years old. My favorite subject was science when I was a junior high school student. My dream was to make a new car. After college, I started to work at a car company. Five years later, I began making a new car as a team member. After we tried a lot of things, we made a wonderful new car. Soon the car became very popular in America and Japan. Now we are trying to make another new car. Please don’t forget that the most important thing is to have your dream and do your best for it. Now, I have a question for you. Please tell me what your dream is.
