問題D 次の英文が2回読まれるのを聞いて、問題用紙の指示に従って答える。

I went to China with my family when I was ten years old, because my father found a job there. His job was to make soccer balls. He likes soccer very much. And I like soccer very much too. When I was young, he told me how to play soccer. I made a lot of friends in China. We played soccer together. My father gave us his new soccer ball. We enjoyed playing soccer with it. Last year I came back to Japan. I really want to visit China again to play soccer with my friends there.
